Hello Kent, Blair and Suzanne

Lan is ready for the Walk through know that the new surface is done. We recognize that the Plant's are not in the best shape but she would like to meet with you either Thursday, July 2 or Friday July 3, 2015, to go over the agreement and do a walk through of Broadway if your available.

Please email me back as soon as you confirm either day you are available.

Thank you!

Julie,

We are prepared to execute the contract for the Broadway Dress rehearsal as written. Please note our correct address below which should replace the address you have on Page 2 of the contract.

However before we sign the contract there should be a formal inspection of the planters and surface area with all the deficiencies noted and addressed. We are assuming the warranty period of the original installation is now over.

Our cursory inspection of the installation notes the following deficiencies:

1. Damaged planters and bollards
2. Insufficient soil in some planters

3. Missing plants in some planters
4. Missing drainage spout covers in some planters
5. Street surface uneven with loose gravel present
6. Drainage problems as a result of #5 above.
7. The number of chairs, tables and umbrellas needs to be inventoried to ensure none have gone missing.

We would suggest that some of these deficiencies should be corrected before the formal responsibility is taken on by the Fashion District BID. Other deficiencies could be acknowledged in a separate letter to remain in an "as is" condition on takeover. This might be best coordinated with my BID colleagues in Historic Downtown & Downtown Center BIDs so we take the same approach with each deficiency listed above.

Please contact us with some dates for the final inspection.

Thanks

Kent Smith,

Executive Director
